From the Principal

Welcome back to term 3 of the 2015 school year – a particular ‘Town High Shout Out’ to our new families and students!

V8’s

Our Parents & Citizens Association (P&C) ran another successful car parking and building use activity around the V8 Super Cars event, held on Friday 10 July through to Sunday 12 July. I would like to thank all students, staff, parents and friends who volunteered to support this major fundraiser for our school. We will be in a position to announce the final amount fundraised in the next newsletter.

Annual School Opinion Survey for Parent/Caregivers

All families have been posted information about participation in the 2015 School Opinion Survey – the single sheet, which has the web address and the unique sign on information should be in your letterbox very soon! I would like to invite all parents/caregivers to take the opportunity to have a say about the school, what your child(ren) do well at school and how we can improve.

Inter-Reef Athletics Carnival

As I write this newsletter we are preparing for the Inter-Reef Athletics Carnival, a feature event on our whole school calendar. Parents/caregivers would have received a text message from us earlier in the week letting you know that the carnival commences on our school oval lessons 3 & 4 on Thursday 16 July and continues all day Friday at Red Track, North Ward. The excitement is really building for this event with participation and having a go being the key!

Semester 1 2015 Student Reports

Student reports with assessments and comments for achievement, effort, behaviour & attendance will be in the mail by the end of this week. The first point of contact for conversation about student achievement is the subject teacher, who can be contacted via email, or via the school office. I encourage parents/caregivers to be in regular contact with subject teachers to ensure that students are ‘on track’ and performing to the best of their ability.

Frank Greene
Principal

Townsville State High School Facebook Page

Our Facebook page has been active since late last year and it is terrific to see the amount of content about our students and school programs appearing on the site and being updated on a daily basis. To view the page and post a message, please access via this link and once on the page, hit ‘like’

We are following a clear and strict set of guidelines related to Facebook usage by schools and our ‘gatekeepers’ are currently doing a fantastic job of monitoring content!

Payment of 2015 Textbook and Resource Hire Fees

Participation in the 2015 Student Resource Scheme requires payments as follows:

Yr 7-9 $170.00 ; Yr 10-12 $195.00

Plus some subject specific costs for Year 10/11/12 students.

Payment may be made in full as a single payment or by instalments.

Please refer to the Participation Agreement Form forwarded with the invoices for 2015. If you do not have a copy of the Participation Agreement Form you can collect a copy from the school office.

Please elect to participate or not participate in the scheme on the Agreement Form and return to the school. Non-payment of the participation fee by the designated payment date(s) may result in debt recovery action being undertaken for the overdue participation fee which may result in extra costs being incurred by the parent/carer.

Non-payment of the participation fee will also result in withdrawal of students from extra-curricular activities some examples include: Yr 7, Yr 8, Yr 10, Yr 12 camps, afternoon sports, NQ Sports, Vocal and Guitar Lessons, use of the School buses, Yr 12 Formal, Senior Jerseys, School Magazine, posting out of school reports.

For your convenience, the school office has Eftpos facilities and can be processed either in person or over the phone. The school also accepts payment via Direct deposit to the school’s bank account – BSB 064-819; Account 00090292 and stating the student’s name and invoice number.

Thank you to those parents who have already attended to payment of Textbook/Resource Hire Fees. Payment of school fees and return of text books ensures a fair and equitable distribution of resources. Thank you for your assistance.

BPPoint - Parent Payments

Following the implementation of BPPoint integration with Agresso and the changes made to customer Invoices and Statements to include the BPPoint web address, many parents are now making their payments via BPPoint. When parents make these payments via the BPPoint web site they need to ensure that they enter their Customer Reference Number, Invoice Number and Amount to pay.

Narelle Searston
Business Services Manager

QParents Registration

Thank you to those parents/caregivers who have registered for ‘QPARENTS’, which is a secure online parent portal. The online portal allows you to electronically notify the school of any student absence, check on the attendance and behaviour of your child, view a student’s current timetable and subjects, update contact details and receive any accounts for payment.

THE SYSTEM IS EXCELLENT AND HIGHLY RECOMMENDED TO YOU!

All parents/caregivers should have received a mail package and emails about how to complete registration. Please contact the office if you need any support to register.

Newsletter Distribution

To ensure that you are receiving the school newsletter, please register with Schoolzine. The purpose of moving to this new format is to engage the school community more effectively and provide parents, students and the community with a more effective and content rich newsletter format.

This new format will include video, image galleries, online bookings and feedback forms, calendars and much much more.

You can subscribe to receive the enewsletter here
http://townsvilleshs.schoolzinenersletters.com/subscribe

From the Rolls Office

Student absences are to be explained by a parent/caregiver to the Rolls Officer Lyn Brice stating the reason and dates of absence. This may be done by phoning the school on 4721 8777 or 4721 8756 or by emailing absencesadmin@townsvilleshs.eq.edu.au Student absences of three or more days due to illness require a medical certificate. Medical Certificates should be emailed to the above email address or hand delivered to the Rolls Office. Your prompt assistance with explanation of absences will be greatly appreciated.

PROCEDURES FOR LATE ARRIVAL/ EARLY DEPARTURE

Should a student arrive late in the first period, a letter of explanation or a note in the Student Diary from the student’s parent/caregiver is required for their Subject Teacher. This letter or note must be presented to the Rolls Office if the student is arriving at school after 8:45am.

If there is a need to collect your student from school early, you must do so via the front office and sign your student out. A note should be written in your student’s Student Diary, the student then presents the note to the Student Counter before school. A Leave Request will be given. The student will show this to their teacher when they need to leave the class.

Lunch passes will NOT be approved. This applies to students of all year levels.

Students who feel unwell at school must first report to the class teacher who will direct them to the General Office...
with a note to this effect. During morning or lunch time recesses, students should report directly to the Office. Facilities for housing sick students are limited. Sick bay is used as a holding station only. Your student needs to know a contact number so that we can phone parents and send students home as quickly as possible.

Students who are in the post compulsory schooling years (Years 11 and 12) who do not attend school regularly will also work with our Student Wellbeing Department to re-engage with schooling. If attendance fails to improve as a result of this support, these students will have their enrolment cancelled at this school.

Townsville State High School - every day, in every classroom, every student is learning and achieving.

Every day counts.....because children achieve better when they go to school all day, every day
Every day counts.....because going to school means getting a better chance at life
Every day counts.....because school helps students make friends and be happy
Every day counts.....because the law says children must go to school

Junior Secondary

Message from the Junior Secondary Deputy Principal

National Collection of Data on School Students with Disability

Dear parents/carers,

Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.

All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

All Australian schools participate in this annual data collection.

The data provided to the Australian Government is aggregated data only. Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

• number of students in the school who are provided with an adjustment to address a disability;
• level of adjustments we provide for those students; and
• broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you are aware of the adjustments being provided to support your child. We will therefore continue to consult with you.

While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child’s details to be included, please let me know.

Every Day Counts At Town High

Students of Town High are expected to attend school every day.

We believe strongly in the statement: every day, in every classroom, every student is learning and achieving.

Research clearly tells us that students who attend school, achieve to their potential. This is what we want for all of our students.

If a student is absent, then his/her absence must be explained within two days.

Absences can be explained in a number of ways:

• a phone call to the Absence Line on 4721 8768;
• email the Rolls Officer on absencesadmin@townsvilleshs.eq.edu.au;
• a letter from you that your student hands to the office.

Students who are in the compulsory schooling years (Years 7-10) who do not attend school regularly, will work with our Student Wellbeing Department to re-engage with schooling. Parents/Guardians of these students will receive formal and legal Education Queensland correspondence that can lead to police prosecution if students do not attend school.
Information and fact sheets are available to help you make a decision from the:

Alternatively, if you have any queries about the collection or use of this data I encourage you to contact me directly.

Robyn Harvey
A/Junior Secondary Deputy Principal

Working together to improve Literacy and Numeracy

We can all do small things each day to assist our children with further developing their Literacy and Numeracy skills. Below are some tips you might like to try.

Useful memorising activity for Spelling.

When you come across a new spelling word ALWAYS use the LOOK/THINK – SAY – COVER – WRITE – CHECK method to memorise it.

- LOOK carefully at the new word. How can you break it into smaller bits? Do any of the smaller bits remind you of the patterns of letters from other words? THINK about the parts of the words which might cause problems - double letters for instance, or a vowel that isn’t pronounced as you would expect, or a tricky letter combination. Decide on a strategy to help you learn your word.
- SAY the word out loud
- COVER the word and close your eyes. Try to see it in your mind’s eye.
- WRITE the word down without looking back.
- CHECK to see if you’re right. If not, look carefully at where you went wrong and try again.

Robyn Harvey
A/Junior Secondary Deputy Principal

Information Night For Year 6 Students

An information night will be provided to parents and students of Year 6 students where they will receive information about Town High for 2016 by members of administration, teachers and current students.

Where: Townsville State High School Library
Date: Thursday 13th August 2015 (week 5)
Time: Session: 5:30 – 6:30pm BBQ: 6:30- 7:00pm

We look forward to seeing you there.

Denise Reeves
A/HOD Junior Secondary

Year 7 Camp

The sun was shining as two busloads of Year 7 students set out from Town High in Week 7 of last term, trading school bells and classrooms for whistles and tents, bound for Kinchant Outdoor Education Centre, about 40 kilometres west of Mackay. Kinchant Outdoor Education Centre is a well-equipped school with a difference. Operated by Education Queensland, the centre and its fantastic teaching staff provides students of all ages with opportunities to engage in adventure and outdoor-based learning.

Uniforms were replaced with harnesses and wetsuits as students put their nerves to the ultimate test with a freefall from the 25 metre tall giant swing, while others splashed into the brisk waters while biscuiting on Lake Kinchant. They showed tremendous teamwork and leadership skills by working together to complete a range of complicated puzzles, and impressed our staff and the Kinchant team with their positive ‘never-say-die’ attitude and resilience in the face of adversity.

What really stood out was the fearless way that students faced their fears of heights, speed, water, and the cold, and got in and had a go, encouraging each other to do their best.

On the final night, students and staff donned their finest plastic wear for the Garbage Bag Ball, crafting couture in a range of styles – from formal to casual wear – to celebrate their success.

Piling back onto the buses for the four hour journey home students were tired from four days of nonstop activities and fun, enjoying this opportunity to have a well-earned nap. While we were all tired and somewhat relieved when the buses pulled up at the school, however we were all glad to have had this experience. Students and teachers got to know each other better. New friendships were made. Old friendships were made stronger. Memories were created and leaders were made.

Special thanks to all of our Year 7 students who attended the camp, to their parents and carers for letting us take them for three nights, to the Kinchant Outdoor Education Centre team who kept us all busy, and to our staff – Mrs Reeves, Ms Harvey, Ms Short, Mr Ditzel, Mr Harvey, Mrs Preston, Mr Seymour, Ms Strang, and Mr Williamson (aka DJ Will.i.am.son) – for going the extra mile to make sure our students had a fun and safe camp.

Senior Secondary

Senior Schooling Update

Hello to the Town High students, parents and wider community.

Firstly, I would like to take this opportunity to introduce myself as the new Acting HoD of Senior Schooling and Wellbeing. My name is Sam Hall, and I will be at Town High until the end of 2015, having transferred into the position from Northern Beaches SHS. While here, my main foci will be Queensland
Certificate of Education attainment, maximising Overall Position achievements and sustaining and improving the wellbeing of our students in years 10 to 12. I also look forward to using this platform to keep you all abreast of news and upcoming events that our students in the Senior School will be involved in. The first of these is the Townsville Careers Expo, which takes place on Monday, August 10. This is a compulsory event for year 10 students, while attendance is optional for year 11 and 12 students. There is no cost to our students for attendance at the Expo, and permission notes will be circulated shortly – keep an eye out for these from your students! Additionally, the Rotary Young Driver Awareness (RYDA) programme is running again in 2015, and we are encouraging all year 11 and 12 students to attend this event. The cost is $15 to each student, and attendance is optional however strongly encouraged. The RYDA programme takes place on the 16th of October. Permission notes were circulated in term 2, however more will be made available to students who wish to sign up now.

To finish, I’d like to wish all year 12 students the best of luck as they begin their final semester of school, and would like to encourage any parent, student or community member to get in touch should you have any concerns or queries regarding any matters in relation Senior Schooling here at Town High.

Sam Hall
Acting HoD of Senior Schooling and Wellbeing

2015 Early School Leavers Survey

The Queensland Government is conducting its annual statewide survey of students who left school in Years 10, 11 and prior to completing Year 12 during 2014. The Early School Leavers survey is a short, confidential survey that collects information about what young people are doing the year after leaving school. The information from the survey helps our schools to understand the pathways young people follow after leaving school and to plan services to support transitions into study or employment for our students.

Between July and August, our students who left school in Years 10, 11 and prior to completing Year 12 last year can expect to receive an invitation to complete a web-based survey or a telephone call from the Queensland Government Statistician’s Office to complete the survey. Please encourage early school leavers to take part.

For more information, visit www.education.qld.gov.au/nextstep/ or telephone toll free on 1800 068 587.

Academic Review

The academic review for senior students is currently underway. All Year 10 students should have completed their Senior Education & Training plans with their Reef Curriculum Advisor and their parents. If you have not completed the Senior Education & Training plans with your child please phone the office on 4721 8777 to organise an appointment.

Kaylene Mladenovic
Deputy Principal Senior Secondary

Important Notice for Senior Students

Student on their P’s are not permitted to transport other students unless they are siblings. Students who drive to school are also reminded that they must comply with all parking provisions within the school and they must not leave school grounds during the day. Failure to follow this policy could result in school disciplinary action. The safety and wellbeing of all students is a priority for our school. If you have any questions regarding this policy please see Mrs Mladenovic.

Kaylene Mladenovic
Deputy Principal Senior Secondary

Student Council Fundraiser: Keeper(Ing) It Real

This year, the Student Council have discovered another worthy cause for the Town High community to get behind. Pull On Your Socks is a winter fundraiser run by the McGrath Foundation. It raises money by selling pink footy socks for the McGrath Breast Cancer Nurses that are specially trained to help raise awareness about breast cancer, and support families who are battling the horrible disease.

On Friday August 7, a pink themed free dress day will be held, with funds raised going to the Foundation in support of their wonderful program. In honour of our fallen reef Keeper, the Student Council have launched the first annual Keeper(Ing) It Real day, to celebrate our former reef while doing what we do best: supporting our community.

Socks will be available for purchase for $12 and go with our pink theme. A prize will be awarded for the best dressed person in pink, so get ready to pretty it up in perfect pink. Along with the socks, donation tins will also be going around to get as much money raised. We are aiming for $600 dollars for our first year, all for this well deserving cause.

For more information, Keeper an eye on the Town High Facebook page, visit the Pull On Your Socks website at http://pullonyoursocks2015.gofundraise.com.au/, or see any member of the Student Council for more information.

We are Town High!

Science 2015

Term Three is the term for National Science Week. This year we will celebrate with a range of special guests in the areas of Technology and Science. Being the International Year of Light, there will also be the opportunity to learn about the science of photography and hear from nationally recognised science photographers. Townsville State High School was successful in gaining a grant that will support a community photography competition during this week. There will be the opportunity to hear from these nationally recognised scientists and enter some
of your photographs in the competition. Stay tuned for more details or see Ms Chapman.

Parliamentary Visit
Leader of the opposition Bill Shorten visited Townsville State High School on 16th July 2015. He met with a number of Science and Technology staff to discuss our views on science education at a national level. He also met with extension science students completing the CREST program. He visited Townsville State High School to gather ideas to implement more combined Science, Technology, Engineering and Mathematics (STEM) experiences in the future. Mr Shorten was very impressed by the STEM initiatives run at Town High.

Senior School Science
Year Eleven Biology and Science in Practice students will participate in Field Work during Term Three around the Ross Creek area. This will provide students with hands-on experiences relating to Australian flora and fauna, ecology and form a part of their assessment.

CREST Program
CREST is a Science Inquiry Program that is nationally recognised and run through the CSIRO. Students get to design experimental investigations on topics that interest them. Students throughout Australia participate in this program, with some students going on to make lucrative and substantial careers from the research that begins at school. Students completing their Silver CREST projects will continue their projects this term.

Robotics at Lunchtime – GIRLS PROGRAM
Town High is very fortunate to have been funded by the P&C to purchase eight robotics kits. Science and IPT staff are working together to provide students with extension experiences in the fields of Science, Technology, Engineering and Mathematics (STEM). STEM skills are essential in industry and tertiary studies, plus it is a lot of fun too! This term there will be an opportunity for female students to participate in a range of challenges, learning computer programming and problem solving along the way. Please see Mr O’Farrell and Mr Zanotto who are supporting the students with the lunchtime Robotics.

Sarah Chapman
Head of Department – Science.

Town High Food Drive
Our Year 9 SOSE classes have recently completed a very important unit on Food Insecurity. As part of this unit, the school community donated non-perishable food items towards a wonderful cause – Food Relief NQ.

This organisation was established in Townsville in 2002 and encouraged locals to donate non-perishable products that can be redistributed to the needy.

Over the past 5 years Food Relief NQ has redistributed on average around $280,000 worth of food each year to support the welfare industry within the North.

A massive thank you to everyone involved in donating their non-perishable items towards this very worthy cause. Thank you also to Abbie Paul for designing this wonderful poster that was used to promote this cause.

We are very proud to offer our assistance and look forward to donating more goods next year.

Belinda O’Neill
SOSE Teacher

Japan Tour 2016
We are currently seeking expressions of interest for the 2016 Japan Tour.

In the past our tours have cost approximately $3000 for 2 weeks. This includes everything but spending money.

If you would like your son or daughter to participate in this cultural opportunity or you have questions, please contact the Japanese Department.

Belinda O’Neill
SOSE Teacher
**Message from the CEC**

Have your children missed any days of school this term?

If you get ABSTUDY for your children, they need to attend school so your ABSTUDY payments continue.

If your child misses a day of school, you need to let their school know why. If your children miss too many days, your payments may be stopped.

For more information, go to humanservices.gov.au/abstudy or call ABSTUDY on Freecall™ 1800 132 317 or visit your local service centre.

---

**Townsville State High School Student Dress Code**

With the cold weather now upon us, we understand the need for warmer clothing please ensure that you have checked the dress code and your student is in full school uniform everyday.

Below we have set out the rules on the school’s uniform policy as per the Student Diary. We expect all students to have the correct attire. If you have any concerns please contact the relevant Deputy Principal.

**JUNIOR SCHOOL (Years 7 to 9)**

- **Girls**
  - Shirt: Polo style T-Shirt in bottle green and navy blue with the school logo on the pocket.
  - Shorts: Navy blue shorts with the school logo on the short leg
  - Skirt: Navy blue skirt with inverted box pleats
  - Shoes/ Socks: Lace up sports shoes (See attached pictures for acceptable and unacceptable styles) White sport socks

- **Boys**
  - Shirt: Polo style T-Shirt in bottle green and navy blue with the school logo on the pocket.
  - Shorts: Navy blue shorts with the school logo on the short leg
  - Shoes/ Socks: Lace up sports shoes (See attached pictures for acceptable and unacceptable styles) White sport socks

**SENIOR SCHOOL (Years 10 to 12)**

- **Girls**
  - Shirt: Green and white striped shirt with school logo. Girls must also wear a clip-on tie in navy blue and green
  - Skirt: Navy blue skirt with inverted box pleats (All girls’ skirts should be worn from the waist to near the knee, with blouse overlapping the skirt.)
  - Shorts: Navy blue shorts with the school logo on the short leg
  - Shoes/ Socks: Lace up sports shoes (See attached pictures for acceptable and unacceptable styles) White sport socks

- **Boys**
  - Shirt: Green and white striped shirt with school logo
  - Shorts: Navy blue shorts with the school logo on the short leg
  - Shoes/ Socks: Lace up sports shoes (See attached pictures for acceptable and unacceptable styles) White sport socks

A hat must be worn at ALL times when outside, including HPE lessons and lunch time activities.
Winter – Boys and Girls Years 7 to 12

(a) Navy blue tailored long pants
(b) The school jersey or navy blue zip-up fleecy lined or plain navy blue jumper without any logos
(c) Navy, black or skin coloured tights may be worn under skirt

Students not in a uniform are to carry a dated explanatory note from home and to have this note signed by the relevant Deputy Principal

Jewellery & Make-up regulations

1. If ears are pierced one small, plain stud or sleeper per ear, may be worn in the lobe of the ear only. No facial piercings are permitted
2. One plain signet ring may be worn
3. One simple chain may be worn
4. A plain wrist watch and/or a simple, metal bangle or bracelet, no wider than 2cm
5. Hair must be of a natural colour and be worn neat and tidy

NB: Earrings (stud or sleepers) are the ONLY acceptable form of body piercing allowed.

General Items:

Safety Standards As required by Curriculum Activity Risk Management, safety standards involving footwear, hair, jewellery, must also be met.

Hair Hair must be of a natural colour and must be worn in a style which meets school community standards.

Headwear Hijabs / head coverings are to be no longer than shoulder length and must be navy blue in colour.

Tattoos Tattoos are not permitted.

Students representing the school on official excursions/activities are to wear full Representative Dress school uniform, unless notified otherwise.

NEW SCHOOL BUCKET HATS ARE NOW AVAILABLE for $10.00 each in REVERSIBLE SCHOOL AND REEF COLOURS

The Students Council is purchasing 400 school bucket hats (see pictures) for sale to students. The bucket hats are reversible with school and Reef colour/name.

You will be able to purchase these bucket hats from the School Office at $10.00 each. With the sale of these hats, more hats can be purchased to keep up with the demand.

This was an initiative from the Student Council 2014.

Any questions about the bucket hats, please ring the School Office on 4721877.

Thank you,

Ms Di Giacomo
Smoking banned 5 metres around school grounds

Smoking any tobacco products or using an electronic cigarette within five metres of any state or private school grounds has been banned. This applies before, during and after school hours as well as over weekends and school holidays.

On the spot fines can be issued by environmental health officers, police or other officers authorised by the local government to anyone found in breach of this legislation. The ban does not extend to businesses or residences that share a property boundary with a school.

Smokers are asked to put out your cigarette and dispose of the litter thoughtfully well before you reach the school boundary.
