9 September 2016

From the Principal

The 2016 Musical – Over the Hill

I was overwhelmed by the sheer talent and dedication of the students and staff involved in the 2016 Town High musical. What an absolute joy it was to attend. Months of work goes into an event like this. Congratulations to everyone involved.

For those who attended, I may have to rethink the idea of using a calendar as a fundraiser for the school!!

Congratulations

It’s not just the students at Town High who are amazing. Recently Ms Trish Cockrem was inducted into the Basketball Hall of Fame. What a great achievement.

Thanks Officeworks

Last week the school received a pack of stationery as part of the Officeworks “Time to Write” initiative. This initiative promotes the benefits of people taking time for themselves and writing by hand. Did you know research at Deakin University found that writing for 15 to 20 minutes a day can lead to a healthier state of mind? Thanks for the stationery Officeworks.

Term 4

Please don’t forget that Term 4 begins on Tuesday 4 October.

Rob Slater
Principal
Our Facebook page has been active since late last year and it is terrific to see the amount of content about our students and school programs appearing on the site and being updated on a daily basis. To view the page and post a message, please access via this link and once on the page, hit ‘like’

We are following a clear and strict set of guidelines related to Facebook usage by schools and our ‘gatekeepers’ are currently doing a fantastic job of monitoring content!

Please remember that this page is used to provide all ‘likers’ with information about school events. Any queries regarding enrolments, absences, fees, reports & the like must go through the correct & official procedures – Please call the school office on 4721 8777.

### Payment of 2016 Textbook and Resource Hire Fees

Participation in the 2016 Student Resource Scheme requires payments as follows:

- Yr 7-9 $170.00 ; Yr 10-12 $195.00

Plus some subject specific costs for Year 10/11/12 students.

Payment may be made in full as a single payment or by instalments.

Please refer to the Participation Agreement Form forwarded with the invoices for 2016. If you do not have a copy of the Participation Agreement Form you can collect a copy from the school office.

Please elect to participate or not participate in the scheme on the Agreement Form and return to the school as soon as possible. Non-payment of the participation fee by the designated payment date(s) may result in debt recovery action being undertaken for the overdue participation fee which may result in extra costs being incurred by the parent/carer.

Non-payment of the participation fee will also result in withdrawal of students from extra-curricular activities some examples include: school camps, afternoon sports, NQ Sports, Vocal and Guitar Lessons, use of the School buses, Yr 12 Formal, Senior Jerseys, School Magazine, posting out of school reports.

For your convenience, the school office has Eftpos facilities and can be processed either in person or over the phone. The school also accepts payment via Direct deposit to the school’s bank account – BSB 064-819; Account 00090292 and stating the student’s name and invoice number.

Thank you to those parents who have already attended to payment of Textbook/Resource Hire Fees. Payment of school fees and return of text books ensures a fair and equitable distribution of resources. Thank you for your assistance.

### QParents Registration

Thank you to those parents/caregivers who have registered for ‘QParents’, which is a secure online parent portal. The online portal allows you to electronically notify the school of any student absence, check on the attendance and behaviour of your child, view a student’s current timetable and subjects, update contact details and receive any accounts for payment.

Visit qparents.qld.edu.au to find out more.
THE SYSTEM IS EXCELLENT AND HIGHLY RECOMMENDED TO YOU!

All parents/caregivers should have received a mail package and emails about how to complete registration. Please contact the office if you need any support to register.

From the Rolls Office

Student absences are to be explained by a parent/caregiver to the Rolls Office stating the reason and dates of absence. This may be done by phoning the school on 4721 8777 or 4721 8756 or by emailing absencesadmin@townsvilleshs.eq.edu.au

Student absences of three or more days due to illness require a medical certificate. Medical Certificates should be emailed to the above email address or hand delivered to the Rolls Office. Your prompt assistance with explanation of absences will be greatly appreciated.

PROcedures for late arrival/early departure

Should a student arrive late to school, a letter of explanation or a note in the Student Diary from the student’s parent/caregiver is required. This letter or note must be presented to the Rolls Office if the student is arriving at school after 8:45am.

If there is a need to collect your student from school early, you must do so via the front office and sign your student out. A note should be written in your student’s Student Diary, the student then presents the note to the Student Counter before school. A Leave Request will be given. The student will show this to their teacher when they need to leave the class.

Lunch passes will NOT be approved. This applies to students of all year levels.

Students who feel unwell at school must first report to the class teacher who will direct them to the General Office with a note to this effect. During morning or lunch time recesses, students should report directly to the Office.

Facilities for housing sick students are limited. Sick bay is used as a holding station only. Please ensure your contact details are up to date so that we can phone parents and send students home as quickly as possible.

Students late to school

We still have a number of students arriving late to school. Can we please remind you that if a student is late, they need a letter of explanation to be presented to the main office on arrival.

It is important that students arrive to school on time each day in order for them to be prepared for their classes. Many students are missing TAG which means that they are not getting notices and messages from their teachers. This can mean that they are late to classes or miss out on notes to go home.

We value your students’ learning. Please continue to work with us to achieve the best possible outcomes for your child/ren.

Junior Secondary News

The traditional African proverb, “It takes a village to raise a child” is often quoted when looking at how best to help students work their way successfully through Secondary Schooling. In our ‘village’ we believe very strongly that the best way to assist your student to achieve their potential is to work together in partnership. To this end it was fantastic to see so many parents at our recent parent/teacher interviews.

Please keep this dialogue open. If you have any concerns or questions regarding what is happening with your student don’t hesitate to be in contact. We are very willing to sit down with you and look at your student’s progress and plan together for any action necessary. Staff contact details are available on our website and your student’s class teacher should be your first port of call for any curriculum based queries.

Please feel welcome to contact our office and make an appointment to speak with us at any point. We are always happy to assist.

Tanya Nelson
Deputy Principal Junior School

Senior Secondary News

Important Notice for Senior Students

Student on their P’s are not permitted to transport other students unless they are siblings. Students who drive to school are also reminded that they must comply with all parking provisions within the school and they must not leave school grounds during the day. Failure to follow this policy could result in school disciplinary action. The safety and wellbeing of all students is a priority for our school. If you have any questions regarding this policy please see Mrs Mladenovic.

Kaylene Mladenovic
Deputy Principal Senior School

Unique Student Identifier (USI)

ALL STUDENTS YEARS 10, 11 AND 12

If applying for a USI at home complete the Student Form - USI Collection and Verification to record this information and return to the front office.

From 1 January 2015, the Australian Government requires all students studying Vocational Education and Training (VET) to have a Unique Student Identifier (USI). This includes students who are studying VET in schools. Townsville State High School must have a valid USI for a student before issuing a qualification or statement of attainment.

What is a USI?

From 2015, anyone undertaking a Vocational Education and Training course (eg: through TAFE or other training providers,
but not University) will need to have a “Unique Student Identifier” (USI) - this is a bit like an account number made up of letters and numbers and is allocated to you. It is used to identify you when undertaking any vocational training from 2015. This USI allows you to login to your training account and see all your training records and the results of all your courses. You can also print out all your results to take to an employer when you are applying for a job or to any training provider when you are doing any additional courses.

You should have this Unique Student Identifier before you can commence any courses and must have it to obtain your certification or statement of attainment. If you don’t already have one, you can create one at www.usi.gov.au.

At Townsville SHS we will be assisting students with the application for their USI. Students’ must provide suitable identification through one of the following:

- Driver’s licence
- Medicare card
- Birth Certificate (Australian) — please note a birth certificate extract is not sufficient
- Australian Passport
- Visa (with Non-Australian Passport) for international students
- Certificate Of Registration By Descent
- Citizenship Certificate
- ImmiCard

Each learner at Townsville State High School will either be required to provide their existing USI (if not already on record at the RTO) or apply for a USI. Students can access the USI Fact Sheets from the school’s web page and also the school’s curriculum network.

Each student who enrols in a VET course will need to complete the following:

**Action 1. The student applies for a USI at home**
- The school sends home information about the USI and what the process will be for application and provision through Newsletters and Parent Information letters
- Students obtain a USI at home via the website
- The student provides the USI to the school using the USI Collection and Verification form
- The school verifies the USI via the website
- The school records the USI, inputs this information into the Student Management System or record in the USI Register

http://www.usi.gov.au

**Action 2. The student applies for a USI at the school**
- The school sends home information about the USI and what the process will be for application and the types of identification that will be required by the learner
- Students apply at the school during a set class time with the assistance of the staff
- Students will record their USI and provide the number to the teacher using the USI Collection and Verification form
- The school verifies the USI via the website
- The school records the USI, inputs this information into the Student Management System or record in the USI Register

http://www.usi.gov.au

**News from the English Department**

Sed Moulds
Head of Technology

**Posting our best work**

Students create a wide range of writing on a regular basis. It’s time to take some of that writing out of notebooks, off the classroom walls and from assessment folios to share with you. These examples are the students’ original work.

---

**News from the Science Department**

Well done to our Global Tropics Young Scholars for the great work completed with James Cook University and the Townsville City Council. We managed to create sensors to water quality including temperature, dissolved oxygen, light penetration, pH and salinity. This information is relayed via a transmitter and collected for analysing with the council. This information will be used to monitor the health of Ross Creek. Well done!
Science week at Town High

We enjoyed a great week of activities with a number of competitions. The winners of the competitions are below. Congratulations to these students for the great work shown. We ran a number of activities throughout the week including building slingshots from a ruler and elastic bands, creating a Rube Goldberg Machine, a trivia morning tea and name the scientist activities. Two activities are still to be completed due to weather our bristle bots and rocket and drone demonstration.

Trivia

News from the Drama Department
Townsville State High School’s musical production, Over the Hill, was (in the words of Manny) a roaring success! Everyone is very tired after presenting five shows over the weekend and the cast are still wiping their wrinkles off! Well done to all students and teachers who were involved, it couldn’t have gone ahead without you!

Real Skills for the Real World!!!

Whatever way you look at it, our society operates around business and legal aspects. Therefore, studying a business and/or legal subject at school will provide you with useful life-skills for the future.

Business and Legal subjects promote the development of logical reasoning processes. These are important to the QCS test in Year 12. They also build real skills for the real world and help build confidence to enable students to participate in the world after school.

The Business Education Department includes the following subjects:
- Senior Legal Studies
- Senior Business Communications and Technologies
- Junior Business Studies (years 7, 8, 9 and 10)

The Business and Legal Studies students have had some amazing experiences so far this year.

Legal Studies

I hear wedding bells!!! It is that time of the year again! In term 1, students participated in a mock wedding to further their knowledge on the topic of Family law. Family law is a complex subject and highlights the modern and diverse society that we live in today. Marriage was one of the issues studied and to further the students’ knowledge we staged a mock wedding. Prior to the wedding, roles were assigned, props and costumes were accrued, invitations were distributed all in preparation for the big day.

On the day, participants gathered in anticipation of the event. The bride and groom exchanged their wedding vows and wedding rings. They signed the wedding certificate alongside the two witnesses which is a requirement of the law. Photos were taken, at the reception, along with celebratory eating and
drinking. The bride and groom celebrated their union with their first dance. The bouquet was thrown and caught by one of the bridesmaids.

Bringing theory lessons to life by staging a mock wedding allows consolidation of learning in a fun and engaging way!

**JCU LEGAL STUDIES CONFERENCE**

In term 3, Year 11 and 12 students were invited to a Legal Studies Conference at JCU. The day began with a keynote address presented by Mr Coyne, the President of Australian Lawyers for Human Rights. He spoke on the topic of “Human Rights for Human Wrongs” which centred around International Human Rights in Australia.

Students were then placed into the following breakout groups: Health Ethics and the Law, Drugs and Olympics (Sports Law), Metadata and Privacy Law (Technology Law) and the Reliability of Eyewitness Identification (Criminal Law). They heard some very relevant and current legal issues during this time.

The day ended with a Q & A Panel hosted by Mr Richard Lane and focused on “Justice and the Media”. Panelists included: Dr Nikola Stepanov, Director, Centre for Health, Ethics, Law and Education in Tropics (CHELE); Mr Bill Mitchell, Principal Solicitor Townsville Criminal law Society; Mrs Jackie Charles, The Rule of Law Institute of Australia; Ms Lorelei Billing, Senior Court Support Officer, Aboriginal and Torres Strait Islander Legal Service in Townsville; Ms Christie Anderson, Court Reporter, Townsville Bulletin and Inspector Glen Doyle, Southern Patrol Group, Townsville Police District.

The Conference allowed the students the opportunity to learn about a vast array of Legal topics.

**LAW COURTS EXCURSION**

During term 3 both Year 11 and 12 students participated in an excursion to the Townsville Law Courts. This excursion was conducted in order for students to experience a real life perspective of how the Queensland legal system is operated and works through the courts. During the day students witnessed a variety of cases in the Magistrates courts as well as a captivating trial in the District Court. Students whilst in the Magistrates Court were able to have a sitting with the Magistrate who discussed various aspects of Criminal law. Overall, students thoroughly enjoyed the day.

**BUSINESS COMMUNICATIONS AND TECHNOLOGIES**

The year 11 BCT class have been studying Organisation and Workteams in term 3. Team building and team work skills are an important part of living and working in our society. Everyone who enters the workforce will be operating as part of a team and the effectiveness of that team will depend on the team leaders and team members. The students honed their team work skills by participating in a variety of activities. They learned that to achieve a desirable outcome they must learn to work cooperatively, accept the differences in each other and to interact with enthusiasm.

Another aspect of this topic was to learn about Meetings. Students learned that meetings dominate all organisations and participated in a mock meeting. An agenda was sent out to all attendees who partook in the activity. The class learned how to run an effective meeting which required the chairperson to have a thorough knowledge of meeting procedures and to be conscious of the level of participation of all members. Another engaging and enjoyable way to learn about the topic.

**9 BUSINESS STUDIES**

Students have been involved in a program developed by the Foundation for Young Australians (FYA) in partnership with NAB. The program is titled $20 Boss is an in-school challenge, run in cooperation with teachers and schools, that lends students $20 of start-up capital to create their own business. The program offers the resources required for an immersive learning experience that builds financial literacy and enterprise skills. Students are then able to put these skills into practice in a ‘real world’ challenge.
Students are given the opportunity to plan, budget and market their business idea, and then run their business. The program enables students to unleash their creativity, show that they can develop a product or service that someone might buy, and develop their financial literacy, while incorporating purpose into their business at the same time.

$20 Boss is designed to unleash the potential of the next generation of entrepreneurs, including those who are passionate about creating businesses with social or environmental purpose.

Stay tuned for term four.

Pauline Di Mauro
Experienced Senior Business/Legal Studies Teacher Technology Department

Five Dollar Formal

This year has been a long one. One in which our stress levels have been higher than ever. And so, we the student council decided to do something about it. On the 19th of August the senior students of Townsville State High School attended the $5 Formal. For those unaware, the $5 formal was a pre-formal formal, and a chance for us year 12s to have some fun... along with some teachers. The evening was a complete success with the majority of students showing up in the the “formal gone wrong” dress code. Throughout the night good times were had by all. There were performances by some of our talented cohort, including our resident band: Relentless; and fun filled activities (with prizes).

Students danced the night away to well-known classics, and worked up an appetite. Thankfully our own Ms Steel, Ms Preston and Hospitality Department prepared us amazing food so as we didn’t pass out. We even awarded a King and Queen of the ball, for the individuals that were dressed in their best daggy attire. This so happened to be Farrah Mann and Nick Hermann.

Younger grades should definitely take note and continue this night for years to come, as it was truly a night to remember.

Thank you to all the students who came, and all the staff who helped out.

Challenge Games

In week three, nine students attended the Challenge Games at Red Track. We had two full days of track and field events including sprints, long jump, javelin and shot put. There was also fun games and activities in between including Frisbee, volleyball, lawn bowls and AFL.

All students participated and put amazing amounts of effort into each sporting activity they competed in.

A special congratulations to Jarod Lingard (Year 7) and Laura Mladenovic (Year 11) who not only competed in nearly all events but have made it in to the next level of competitions which will be held in Brisbane during the school holidays!

Tropics News

Town High Tropics are excited to announce we have renewed our partnership with McDonald’s. Alison and Michael Wood, owners of The Lakes, Aitkenvale, Stockland and Castletown stores, are continuing a 25 year tradition of supporting our program.

Our association with McDonald’s began with George Colbran back in 1991.

Thanks to Alison and Michael when our teams play in this year’s Champion Basketball School of Queensland tournament in Brisbane next month they will be playing in new uniforms. The players will also receive a new bag and towel courtesy of McDonald’s.

On behalf of the players, coaches and the entire Town High community we would like to thank Alison and Michael for their commitment to the Town High Tropics program.
Recently, the Townsville Cultural Festival, a not-for-profit community festival organised by the Townsville Intercultural Centre was held in the grounds of James Cook University. Students from Town High were among the 150 or so groups that performed from Wednesday August 17th to Sunday, 21st.

On the Saturday evening, one of our teachers, Linda Davis, was recognised for her dedication to and support of our English language learners here at Town High. Cathy O’Toole, the Labour member for Herbert, presented Linda with a token of appreciation from the Townsville Cultural Festival organisers. The performances given by our students included traditional dances from the Torres Strait Islands and Somalia as well as contemporary African songs and dancing.
Below we have set out the rules on the school's uniform policy as per the Student Diary. We expect all students to have the correct attire. If you have any concerns please contact the relevant Deputy Principal.

### JUNIOR SCHOOL (Years 7 to 9)

<table>
<thead>
<tr>
<th>Attire</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Shirt</td>
<td>Polo style T-Shirt in bottle green and navy blue with the school logo on the pocket.</td>

Non-Compliance with School Dress Code

Under the school’s Repealable Behaviour Plan and the Education (General Provisions) Act 2009, permitted sanctions for non-compliance of the dress code include:

a) Detention of the student for a period mentioned in section 281 (2) of the Education (General Provisions) Act 2009.
b) Preventing the student from attending, or participating in, any activity for which the student would have been participating in had the student not have been representing the school.
c) Preventing the student from attending, or participating in, any activity that, in the reasonable opinion of the school’s principal, is an essential educational activity.

A sanction imposed under the subsection 1 (b) or (c) may only be imposed on a three-only basis for each noncompliance with the dress code.
