# General Information

## Bus Travel

Students are expected to maintain the highest behaviour standards on school buses and public transport while travelling to and from school. Students who use school buses remain in our school grounds until the bus arrives each afternoon. Bus passes are issued only to those students who live further than a 4.8 kilometer radius from the school. Students who breach the Bus Travel Code of the bus company may have bus travel denied by the bus company.

Enquiries regarding the bus passes should be directed to Sunbus directly by phone or website. The School Behaviour Management plan applies to students travelling to and from school on buses.

## Change of Address/ Telephone/ Family Situation/ Access

If your address, telephone or other family details change, please report this to the office. This information is necessary so that official records can be updated. Copies of any relevant court orders limiting normal access to students by others must also be provided for our records. This is very important in case of illness or injury at school so that we can contact parent/guardians efficiently.

## Concerns

If you have a concern, please let us know. Concerns should be directed to the school. Please contact the school office so you can talk directly to the teacher involved, a Year Level Coordinator, Head of Department, Deputy Principal or Principal. Written concerns should be addressed to the Principal.

## Damage to School Property

Students are expected to treat all school property with respect and care. Where students cause damage to buildings, books or other property through negligence or willful actions, they will be expected to make restitution by paying to repair or replace the affected item. Payments are to be made through the office. Receipts will always be issued.

## Detention after school

Under the Education Act, students can be detained after school for breaches of school discipline. Parents will be given 24 hours prior notice. Parents will be contacted by the Year Level Coordinator, Head of Department or Administration team member if students are involved in this. Contact is normally by letter, phone or text message.

## Emergency Contact

When you enroll a student we ask for an emergency contact number. So that parents/guardians can be reached easily in an urgent situation. It is essential that the school has access to an up-to-date contact number. Accidents may happen – we need to be able to reach a responsible member of the family or a friend of the family as quickly as possible. Keep that number up-to-date so we can contact carers in an emergency.

## First Aid and Illness

Since we are unable to look after sick children at school, parents are requested not to send students who are already unwell. Students who become ill at school must report to the office where arrangements will be made for them to rest for a short period or parents will be asked to come and collect them. Medical opinion may be sought or an ambulance called if it is deemed in the student's best interest and parents cannot be contacted quickly, so it is imperative that the information on student's admission forms is updated regularly (especially addresses, telephone numbers). Student who become ill at school must not leave the grounds without first gaining permission from the office and signing out. They will be issued with a leave pass.

## Late Arrivals

Students who arrive late must, in every case obtain a "late pass" from the main office, before being admitted to class. A note from the parent/guardian is expected (handed to the office staff). Students should be at school by 8.30am allowing time to prepare themselves before school starts at 9.00am. Students who are late are expected to make up the lost time.

## Medication (Administration to students at school)

Any student who has medication prescribed by their doctor to take while at school will need to adhere to the Education Queensland regulations relating to this. The parent or guardian must, in the first instance, notify the school and complete a medical form to administer. Administration of that medication will be supervised by an adult staff member designated by the Principal.

At all times medication must be kept at the school office. One exception, in selected cases, is that of inhaler therapy for asthma. On written permission from a parent/legal guardian and with the approval of the school Principal, the student may be responsible for the inhaler.

Non-prescribed medications, e.g. analgesics, cough medicines and the like, should not be brought to school and will not be administered by school staff. Stated below is the minimum information which parents will need to inform the school, in writing, before medication can be administered:

- Student's name and TAG class
- Name of medication
- Dosage
- Times of administration
- Doctor who prescribed medication and contact details
- Probable period of treatment
- Parent/guardian contact numbers

**\*Any medication brought to school must have written instructions provided on the medication package by the pharmacist at the doctor's direction. A permission form is valid for one week unless there is permanent medication where special negotiation will take place.**

## Newsletter

A newsletter is available on the Friday proceeding the P & C meeting of each month. This is sent to the email address supplied and is also available through the school website.

## P & C Association

The Parent and Citizens' Association promotes the welfare of students and the development of the school. Meetings are held on the third Tuesday of each month at 6.00pm in B Block – B09. Parents are encouraged to come along, even if you are unable to come every time. Your attendance is always welcome.

### **Personal Property/ Lost Property**

All students are expected to take care of their personal property. Do not bring unnecessary items to school. Money, wallets, pens, instruments, calculators, watches etc. should not be left unsupervised. The school is not able to accept responsibility for lost items. Labeling of school uniforms and personal equipment is essential.

**\* Parents who wish to see the Principal, Deputy Principals, Guidance Officers, Year Level Coordinators or teachers are expected to call and make an appointment as these personnel may not always be readily available. Meetings are generally arranged in the administration block. Visitors leaving the office building must sign our visitors register and sign out on departure. A system of visitor's badges is in place for when visitors need to move to another area. The visitor's badge must be worn prominently while on the premises outside the main office.**

# Student Resource Scheme

## Annual Parent Information Letter

Dear Parents/Guardians,

This letter contains important information about the **2025 Student Resource Scheme (SRS)** including how the scheme operates and the annual participation fee.

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost effective alternative to purchasing textbooks and/or resources elsewhere, Townsville State High School operates a SRS for 2025.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association at the meeting held on 18/06/2024.

### SRS Participation

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at school. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent to participate. Participation is for the duration of your child's enrolment at the school.

*Student is new to the school.....*

Parents are required to complete and return the SRS Participation Agreement Form when joining the scheme for the first time. If no participation form is received by **7/02/2025**, the school will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide the educational resources listed in the SRS for their child by the start of the school year. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

*Continuing student of the school.....*

A parent's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

If a parent has opted out of the scheme the parent is required to provide the educational resources listed in the SRS for their child by the start of the school year.

### Resource Inclusions

All resources included in the SRS are detailed in the attached [SRS Resource list](#). This list is also available on the school's website. This is a comprehensive list of all resources included in the scheme and their associated costs.

Parents must inform the school if items on the list of resources are not received by their child when resources are distributed.

### Type of Resources provided

Generally, the three types of resources that could be included are:

- **Owned** – these items are retained by the student and used as required (e.g. stationery, exercise books, student diary).
- **Used** – these items are used/consumed in class by the student (e.g. industry technology/cooking/art supplies).
  - work/items produced from these resources will remain the property of the student.
- **Hired** – these items are hired to the student for their personal use for a specific period of time (e.g. textbooks, musical instruments).
  - Hired items must be returned to the school in good condition at the end of the hire period or if the student leaves the school.
  - A repair or replacement cost may be charged to the parent for any hired items that are damaged or not returned.

### Costing Methodology

The schools SRS fee is calculated based on:

1. A flat fee for all students in the school, OR
2. A flat fee for a cohort group of students (e.g. a year level), OR
3. A fee determined by the subjects selected by the individual student.

Please refer to the [SRS Resource list](#) for the associated costings.

### The Textbook and Resource Allowance

The Department of Education provides a Textbook and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible Years 7 to 12 students. For those students who are eligible to receive the TRA, the TRA will be applied to reduce the cost of participation in the SRS. Information on the TRA can be found on the department's website (<https://education.qld.gov.au/about-us/budgets-funding-grants/grants/parents-and-students/textbook-resource-allowance>).

Year level	TRA Rate
Years 7 to 10	\$155
Years 11 to 12	\$337

### The SRS Participation Fee

The SRS fee payable for the year is available in the attached information and published on the schools website. This also includes the TRA component which has been deducted to reduce the SRS fee payable.

\* If the cost of the SRS is equal to the TRA rate, no SRS Fee is payable.

### Financial Hardship

Parents experiencing financial hardship who are currently participating or wish to participate in the SRS should contact the school to discuss available options in confidence.

### Payment Arrangement

Several payment options including a single payment for the full year's fee or term instalments are available. An instalment plan can also be negotiated with the school.

Any unpaid invoices, will be managed according to the department's Debt Management Procedure and may result in the student being excluded from the scheme and/or from participating in non-curricular activities until payment is made (<https://ppr.qed.qld.gov.au/pp/debt-management-procedure>).

### Payment Method

SRS payments can be made by QParent/BPOINT, BPAY, EFTPOS (Credit/Debit Card), Cheque and cash.

- Payment may be made through the QParents portal using a credit card. Payment will be directed from the QParents portal to BPOINT where relevant outstanding invoice information may be selected.
- When paying by BPOINT, please use the Customer Reference Number (CRN) and invoice number printed on the invoice received from the school. If unsure of the CRN, please contact the school.

### Contact Us

For all queries regarding the SRS and its inclusions, please contact the financial team at the School or [SRS@townsvilleshs.eq.edu.au](mailto:SRS@townsvilleshs.eq.edu.au)

**Please complete the SRS Fee Payment Arrangement Form and return to the school administration office by 7/02/2025.**

# Resource Scheme (2025)

To assist parents in meeting the costs of textbooks and other resources, Townsville State High School together with the Parents and Citizens Association offers a Resource Scheme involving the temporary use of text books and other equipment and the purchase of consumables and materials for their children in return for a specified fee.

**YOUR CONTRIBUTION: \$180 Yrs 7 - 9  
\$200 Yrs 10 - 12**

Participation in the Resource Scheme is voluntary. Any parent who does not wish to participate in the scheme is still responsible for providing their student with the necessary items and covering the cost of activities for engaging in the curriculum.

Your contribution of \$180 Yrs 7-9 and \$200 Yrs 10-12 plus the Government Textbook and Resource Allowance cheque forwarded directly to the school for students in Years 7 to 12 will provide the following towards your student's education:

- Use of a variety of textbooks, specialized reading resources, dictionary and class sets
- All printed class worksheets and handouts, excluding colour photocopies and student's personal photo copying
- Basic materials, equipment and consumables used for The Arts, Industrial Design and Technology, Hospitality, Health
- Materials used for classroom projects
- Printing, software. (Print Manager will record and control printing for your student)

The Resource Scheme provided in this package is for a set contribution. It is not available in part. You may be eligible to claim this cost on your tax return so please retain your receipt for proof of purchase.

Townsville State High School provides a Resource Scheme to benefit all student and parents. Participation in the Resource Scheme is voluntary, however, the school can provide the best value for money through bulk purchasing of quality products. Participation in the Resource Scheme also ensures that teachers can distribute resources to students immediately, thus improving the quality of teaching and learning time for all.

The following conditions apply to the Resource Scheme:

- Students will provide their own personal stationery requirements
- Resources issued to students are to be kept in good condition
- Students may be responsible for up to the full cost of books that are negligently damaged or lost. The school should be immediately notified of the loss of any books.
- Students must return resources prior to leaving the school and/or at the end of each year
- If a student starts during the school year, the contribution is reduced on a pro-rata basis
- If a student exits the school having paid a fee, a pro-rata refund will be made. Refunds are based on the full charge (which include the textbook Allowance and parent/carers charge), less cost of consumed materials and/or cost of replacing lost or damaged textbooks
- Resources provided under the Resource Scheme cannot be issued to students whose parents/caregivers choose not to participate
- The Principal may refuse to admit a student to the Resources Scheme if there are outstanding payments from the previous year.

In accordance with procedures for the operating of a Resource Scheme, parents/caregivers are required to sign a formal agreement of participation. This may be completed on enrolment.

Payment can be made by cash, direct Internet payment, BPoint/QParents, Visa, MasterCard or EFTPOS. A receipt will be provided. This payment is requested to be made in full by the end of March 2025. Parents/caregivers experiencing financial difficulty, or who cannot make payment by this time, are asked to complete a payment plan with our Finance Team.

**\*\*\*\* If you do not wish to participate in the scheme, please advise the school via**

**[SRS@townsvilleshs.eq.edu.au](mailto:SRS@townsvilleshs.eq.edu.au)**

**Parents will be expected to provide all necessary textbooks and resources above for their student's as required for all courses of study.**

***\*Resource lists are accurate at time of printing; please confirm classroom requirements with staff prior to purchasing.***

**Please contact our Finance Team if you have any questions or concerns about this scheme**

# Refund Guidelines

At Townsville State High School we are committed to providing a safe and supportive learning environment for students, staff and volunteers. This commitment includes the health and safety of staff and students when conducting curriculum activities in the school or in other locations.

School excursions and camps enhance a student's learning by providing opportunities for the student to participate in activities, both curriculum-related and recreational, outside the normal school routine. All planned school excursions are approved by the Principal and endorsed by the Parents and Citizens Association.

State schools are able to charge a fee for:

- An educational service including materials and consumables not defined as instruction, administration and facilities for the education of the student;
- An education service purchased from a provider other than the school where the provider charges the school;
- A specialised educational program, and
- A school fee is directed to the purpose for which it is charged.

School fees for extra-curricular activities are calculated on a cost recovery only basis, according to the number of students who have indicated their attendance.

Participation of students in an extra-curricular activity is indicated through payment of the fee and provision of a permission form completed by the parent.

As the school budget cannot meet any shortfalls in funding for an extra-curricular activity due to the subsequent non-participation of a student who had previously indicated attendance of the activity, fees already paid for an extra-curricular activity may be refunded in full or in part or not at all, having regard to the associated expenses incurred and the circumstances of the non-participation.

If a parent wishes to apply for a refund due to their child's non-participation in an extra-curricular activity, they may do so by completing a Request for Refund form available from the School Office or from our website. Where possible, the request should include the receipt relating to the payment for which a refund is being sought.

It is preferred that refunds be made as a credit against the student's account at the school, and used to offset any future charges.

## **REFUNDS:**

All refunds of \$25.00 and under will be credited to the student's account. If students have school fees or other outstanding debts with the school, this refund will be offset against the debt/s. Refunds over \$25.00 without any outstanding debts to the school will be refunded via EFT, Cheque or credit on student's account.

# Homework Policy (Version 1- Edited September, 2022)

## RATIONALE

Homework provides students with opportunities to consolidate their classroom learning and to develop healthy learning behaviours required for learning beyond the classroom. School occupies just 13% of a child's waking hours from the ages of 0-18 years, making homework necessary for the forming of good habits.

The setting of homework also takes into account the need for students to have a balanced lifestyle. This includes sufficient time for family, recreation, cultural pursuits and employment where appropriate.

### ***Homework that enhances student learning:***

- is purposeful and relevant to student's needs.
- is age appropriate.
- is appropriate to the capability of the student.
- develops the student's independence as a learner.
- is varied, challenging and clearly related to class work.
- allows for student commitment to recreational, employment, family and cultural activities.

## PURPOSE

### ***Homework engages students in independent learning to complement work undertaken in class through:***

- revision and critical reflection to consolidate learning (practising and deepening).
- applying knowledge and skills in new contexts (a topic of interest, an authentic local issue).
- pursuing knowledge individually and imitatively (investigating, researching, writing, designing, making)
- preparing for forthcoming classroom learning (collecting relevant materials, items, previewing information).
- daily independent reading.

## IMPLEMENTATION

### ***Homework is set in three ways:***

- by the teacher with a set time for short-term completion.
- by the assessment program where an assignment is completed over a longer period of time.
- by the student as they study, preview and review classwork, find alternative explanations of content.

### ***Teachers will:***

- set homework on a regular basis.
- clearly communicate the purpose, benefits and expectations of all homework and ensure that this links to the learning goals.
- check homework regularly and provide timely and useful feedback.
- use homework that is varied, challenging and directly related to class work and appropriate to students' learning needs.
- explicitly teach strategies to develop organisational and time-management skills and providing opportunities to practice these strategies through homework.
- give consideration to other academic and personal development activities (school based or other) that students could be engaged in when setting homework, typically providing completion times that are more than one night.
- discuss with parents and guardians any developing problems concerning their child's homework and suggesting strategies to assist with their homework

# Phones and Wearable Devices Policy

(Version 3 – Edited February 2024)

## RATIONALE

Townsville State High School is committed to reducing the distraction of mobile phones and other devices to provide optimal learning environments for all students. Therefore, student mobile phones and certain wearable devices, such as smartwatches and earbuds, need to be **'away for the day'**, including during break times. Exemptions will be available for digital learning opportunities or as part of a reasonable adjustment for student learning and wellbeing – including reasons related to disability and health such as monitoring blood sugar levels for students with diabetes.

## PURPOSE

This policy is designed to:

- limit the times students may be exposed to negative impacts from inappropriate or unsafe use of devices, such as cyberbullying or harmful content
- promote classroom environments where teachers can teach, and students can learn, free from distractions caused by personal use of devices
- encourage use of breaks as quality time away from screens for more physical activity, play and face-to-face connections.

## IMPLEMENTATION

Student mobile phones and ear buds must be **'away for the day'**, and kept in the student's school bag. This means phones are not to be used for the duration of the school day, including break times. Wearable devices, such as smartwatches must be switched off or unpaired so that phone calls, messages and other notifications cannot be sent or received during school hours.

- Students will be allowed the use of mobile phones and wearable devices to make school payments, including for tuckshop and office payments.
- Teachers, may give permission for students to use their mobile phone or wearable device in the classroom, for a specific and agreed educational purpose.
- Students will be allowed access and use mobile phones and wearable devices during school representative sports and camps.

As outlined in the Student Code of Conduct, students who use phones during school time will be subject to disciplinary action by the school.

## COMMUNICATING WITH YOUR STUDENT AT SCHOOL

- Students will only be able to use their mobile phones immediately before or after school hours for contact with their families, friends, and out-of-hours commitments such as part-time employment.
- Parents and carers will be able to contact their child during school hours using the school's existing communication channels.
- Likewise, school staff will contact you directly wherever needed.
- Students are to report to a school staff member if they become unwell or experience an issue at school. Staff can then provide appropriate support, including contact with parents and following formal processes for early collection from school where necessary.

## CONSEQUENCES

Students seen using their phone or wearable device during the school day will be issued with the following consequences -

- The phone or wearable device will be confiscated and held securely in the office to be collected at the end of the school day. Students will be allowed 2 confiscations only.
- After a third confiscation, the phone will be temporarily retained at the office for collection by parents.
- Ongoing, persistent and/or deliberate non-compliant behaviour may result in a detention, completing an after-school Digital Licence course, or a Student Disciplinary Absence (SDA).

## EXEMPTIONS

Exemptions are considered and may be approved by the principal on a case-by-case basis where:

- the student uses their device to monitor or manage a medical condition (to be documented in the student's health care plan)
- the device is an agreed adjustment for a student with disability or learning difficulties (to be documented in the student's Oneschool or other support plan)
- the device is used for translation by a student with English as an additional language or dialect (EALD)
- the student has extenuating personal circumstances requiring more immediate access to their device, such as being the primary carer for a child or family member.

**Please speak with the school if you need to discuss an exemption request due to these exceptional circumstances.**

# Attendance Policy

## RATIONALE

All schools in Queensland are committed to providing safe and supportive learning environments for all students which address their educational needs.

Townsville State High School expects all students to attend school every day. Townsville State High School is aware that the issue of absenteeism is complex and covers a range of behaviours including chronic absenteeism, school refusal and truancy. Partnerships between the school, parents and the local community can assist in reducing absenteeism

The Townsville State High School attendance Policy aims to:

- Develop a positive school culture,
- Identify absences quickly,
- Follow-up promptly, and send clear messages to students and parents that attendance is vital.

## The importance of attending school

It is important that students, staff and parents/carers have a shared understanding of the importance of attending school. At Townsville State High School:

- We are committed to promoting the key messages of Every Day Counts
- We believe all children enrolled at our school attend school all day, every school day
- We monitor, communicate and implement strategies to improve regular school attendance
- We believe truanting can place a student in unsafe situations and impact on their future employability and life choices
- We believe attendance at school is the responsibility of everyone in the community.

## Student Responsibilities

- Attend school every scheduled school day (including all sports days and carnival days)
- Arrive to school on time every day
- Provide an explanation for any absences

## Parent Responsibilities

- Support and encourage their child to attend school every day
- Ensure their child arrives to school on time every day
- Provide an explanation for any student absences or late arrivals

The Education Act (2006) requires that students of compulsory school age (at least 6 years and 6 months and less than 16 years) attend school until the completion of Year 10 or until they turn 16 years of age, (whichever comes first). Students are then required to participate in the Compulsory Participation Phase in education or training until they either:

- Gain a Certificate of Achievement, Senior Statement, Certificate II or Certificate IV or
- Participate in eligible options for 2 years after the person stopped being of compulsory school age or
- Turn 17

## Strategies

At Townsville State High School, we support 100% attendance by:

- Rewarding outstanding attendance (95% and above) and improved attendance
- Supporting Positive Behaviour for Learning initiatives

- Ensuring consistent follow up of absences with parents/ caregivers
- Providing intervention and support to individual students and families to reduce absenteeism

### Attendance Targets

At Townsville State High School, we are committed to achieving the following targets in improving attendance:

- 100% explained absences
- Continually improve the School's attendance rates each year.

### Reporting of Student Absences

At Townsville State High School, reports of absence or truanting are taken seriously. Students, parents, members of community and school staff may report an absence in the following ways:

- Telephone the School: (07) 47218 777
- Email the Administration Office: [absencesadmin@townsvilleshs.eq.edu.au](mailto:absencesadmin@townsvilleshs.eq.edu.au)
- Signed/dated note sent with the student
- In person to the Administration Office
- In person to the Attendance Officer before 9.30am

### Unexplained or Unauthorised Absences

- Referral to Student Support Services Team and/or outside agencies
- Meeting with parents/guardians
- Student being placed on an Attendance Monitoring Card
- Formal processes as per Education Queensland policy up to and including referral by the Director General for prosecution under the Education (General Provisions) Act 2066 (Queensland).

### Authorised Absences

If a student is unable to attend school for a period longer than 10 consecutive school days, an exemption is required. Please contact the school for further information.

### Enforcement of Compulsory School Attendance

Townsville State High School will refer to and comply with the Department of Education and Training processes for enforcing parental obligation that a child of compulsory school age attends on every school day, for the educational program in which the child is enrolled.

# Uniform Policy

## PURPOSE

Townsville State High School dress standards reflect the community expectations and standards as determined by the Principal in consultation with school community representatives. This policy has been written in accordance with section 360 of the Education (General provisions) Act 2006 (Qld).

The school believes that a clearly stated and sensibly implemented Uniform Policy is important for the following reasons:

- To provide a disciplined learning focus, setting the scene in a classroom environment.
- To provide a sense of identity for students attending the school.
- To provide an opportunity for parents and staff to instil in students a sense of pride in their appearance.
- To provide a united team and increase school spirit.

## IMPLEMENTATION

**Students must be in school uniform at all times unless indicated otherwise.**

At all times when travelling to and from school, and at school, the **school uniform**, as defined in the Uniform Policy, **is to be worn**. This includes when participating in school excursions; travelling to and from sport; travelling to sports training in the morning and leaving training in the afternoon; being spectators at after school sport or activities.

### Sports/HPE

- Sport specific attire **MUST** only be worn in training/playing periods only.
- Students who have HPE lessons during the day must change from their sport specific attire into their day uniform prior to attending their next lesson.

### Sun Safety

A hat must be worn at all times when in sunlight (this includes dappled sunlight), including HPE lessons and lunch time activities.

### **NON-COMPLIANCE WITH DRESS CODE**

If there are medical reasons that prevent a student from complying or an emergent situation, a parent may contact the relevant Deputy Principal to explain why a student is not able to comply with the Dress Code on a particular day. This may be done in person, via telephone or note. Contact is expected on each day that the student has the medical or emergent reason. *Please note that emergent situations are expected to be addressed in a timely manner, and in some circumstances consequences for non-compliance may still be issued.*

Under the school's Student Code of Conduct and the Education (General Provisions) Act 2006, permitted sanctions for non-compliance of the dress code include:

- Detention of the student for a period mentioned in the Education (General Provisions) Act 2006;
- Preventing the student from attending, or participating in, any activity for which the student would have been representing the school;
- Preventing the student from attending, or participating in any activity that, in the reasonable opinion of the school's Principal, is not part of the essential educational program of the school.

When a student is able to comply with the school's Dress Code (e.g. by removing a non-compliant item), but chooses not to when requested, this will be considered as an act of wilful disobedience by the student and may be dealt with according to the Student Code of Conduct. Students will be offered compliant uniform items to change into whenever possible.
