

Townsville State High School

Parents and Citizens Association

2026/27 P&C Executive Committee

President:	Sam Talbot
Vice President:	Maria Baira and Hailee Swanson
Secretary:	
Treasurer:	Sloane Milliner

Townsville State High School P&C Association is a group of friendly, community-minded parents, guardians, caregivers, teachers, staff and students (current and former) who are keen to support our school.

Meetings

When: The P&C meet on the third Tuesday of each month, March - November.

Where: B block, near the Administration block at 6pm (see map info).

Who: Everyone! Any parent, guardian, or caregiver of a student enrolled in the school, staff plus members of the broader community interested in supporting education, are welcome to join these meetings. We offer attendance online via MS Teams (email us for these details), although when you come along in person you also get to indulge in the delicious treats that our amazing Canteen staff spoil us with!

When you attend meetings, you will learn so much about the school's operational information, educational direction and developments plus financial insights. You will hear about the upcoming projects taking place in our school and be able to provide input and feedback on school policies, activities and more.

You have the power to make change.

OUR ROLE IN THE COMMUNITY

OUTDOOR GYM

WHAT WE DO

- operating the school tuckshop. We employ 4 wonderful staff who together boast over 50 years' experience working within school canteens
- managing the annual V8 Supercar Race public car parking facilities within the school grounds in July, in partnership with school staff and leaders
- provide financial support to students and school groups who are selected for regional/interstate or international sporting, cultural and academic activities through the P&C's 'Student Subsidies'
- assist in funding major school improvement projects
- funding annual bursaries and prizes, school captains' blazers and funding the expense towards buses for school camps and activities, to help towards reducing the cost-of-living pressures to our school families
- representing the needs of the school and region in wider public, community & political forums
- contributing to policy on topics like behaviour management, school uniform, sun safe policy and out of school activities

DRINKING WATER STATIONS

V8 SUPERCARS CARPARKING

The Townsville State High School P&C Association is an integral part of Town High and we are very proud of the role we play in helping to shape our school to support the students and staff of today and deliver what's required for the up and coming leaders and innovators of the future.
