Student Resource Scheme

Student 1-to-1 Learning Program

Participant’s agreement (1)

TOWNSVILLE STATE HIGH SCHOOL
1.1 Student Resource Scheme

1.2 Purpose of the Scheme

1.3 In accordance with the Education (General Provisions) Act 2006, the cost of providing instruction, administration and facilities for the education of students enrolled at State schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State.

1.4 Parents/carers are directly responsible for providing textbooks and other personal resources for their children while attending school. In recognition that these costs can be high, the school operates a Student Resource Scheme (the scheme) that enables a parent/carer to enter into an agreement with the school that provides, for a specified annual participation fee, the temporary use by the student of prescribed textbooks and other resources, and/or the purchase of consumables and materials for the student.

1.5 A Student Resource Scheme is separate to and distinct from a request for a voluntary financial contribution.

1.6 Benefits of the Scheme

1.7 The scheme is intended to provide the parent/carer with a cost effective alternative to purchasing the prescribed textbooks and resources elsewhere, through efficiencies gained from the school’s bulk purchasing practices.

1.8 The scheme ensures that students have consistent personal resources for their education, and saves the parent/carer time and money in sourcing the prescribed textbooks and materials elsewhere.

1.9 The Student Resource Scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the operation of the scheme.

1.10 Participation in the Scheme

1.11 Participation in the scheme is voluntary, and there is no obligation on a parent to participate in the scheme. A parent’s decision to participate or not is based on consideration of the value afforded to them by the scheme.

1.12 The completed and signed Participation Agreement Form should be returned to the school by 27/02/2011 to indicate participation or non-participation in the Student Resource Scheme.

1.13 If a parent/carer chooses to participate in the scheme and completes the Participation Agreement Form, a participation fee will be due and payable by the parent/carer for the items provided by the scheme to the student.
1.14 Payment of the participation fee is a requirement for continued participation in the scheme. An unpaid fee will be subject to the school’s debt collection processes.

1.15 A parent/carer who does not wish to participate in the textbook and resource scheme shall inform the school by completing the Participation Agreement Form and returning it to the Administration Office. Arrangements will be made for the parent/carer of students in Years 8 to 12 or of secondary education age to be paid the value of the Textbook and Resource Allowance for each of their eligible children.

1.16 A parent/carer who chooses not to participate in the scheme is responsible for providing the student with all items that would otherwise be provided to the student by the scheme as detailed on the Year Level Requirements List or Subject Requirements List, to enable the student to engage with the curriculum.

1.17 Parents and Citizens’ Association Endorsement of the Scheme

1.18 The operation of the Student Resource Scheme is discussed annually at a meeting of the Parents and Citizens’ Association. Parents/carers are extended an invitation to attend this meeting and provided an opportunity to express their opinions. A vote is taken at this meeting endorsing the operation of the scheme.

1.19 Textbook and Resource Allowance

1.20 The Queensland Government provides financial assistance to parents/carers of students in Years 8 to 12 or of secondary education age, attending State and approved non-State schools, to offset the costs of textbooks and other resources. Assistance is provided in the form of a Textbook and Resource Allowance which is paid once a calendar year through the school. Allowances are $111 per year for students in years 8 to 10, and $245 for those in years 11 to 12. Parents/carers have the option to receive the allowance directly from the school or as an offset of fees associated with participation in the school’s Student Resource Scheme. This option is made available to each parent annually by the school.

1.21 Payment Arrangements

1.22 Payment of the participation fee may be made by cash, cheque, EFTPOS (Debit Card; MasterCard; Visa; nominated on the Participation Agreement Form.

1.23 Payment of the participation fee may be made in whole or by instalment as indicated on the Participation Agreement Form or for another amount as approved by the Principal.

1.24 For payment made by direct deposit to the bank account on the front of the form, the payment reference must include the detail as indicated on the front of the form. The acknowledgement from the financial institution of the successful transfer of funds should be printed and retained as a record of payment. A school receipt will be issued on request. For payments by cash, cheque or credit/debit card, a receipt will be issued. All receipts and documentation on the scheme should be retained by the parent/carer for future reference and possible taxation purposes.
1.25 Parent/Carer Experiencing Financial Difficulties

1.26 A parent/carer wishing to participate in the Student Resource Scheme and experiencing financial hardship is encouraged to contact the Business Services Manager to discuss how their financial obligations can be met throughout the school year, or to negotiate alternative arrangements that may be available to accommodate their individual circumstances. All discussions will be held in the strictest confidence.

1.27 The onus is on the parent/carer to provide evidence of being so affected, which must include a current Health Care Card or other evidence of financial hardship.

1.28 Any concessions to the participation fee will be at the discretion of the Principal.

1.29 Terms and Conditions of Participation in the Scheme

1.30 Where a parent/carer chooses to join the scheme and completes a Participation Agreement Form, an annual participation fee will be due and payable by the parent/carer to the Student Resource Scheme.

1.31 In return for payment of the participation fee, the scheme will provide the participating student with textbooks and/or resources, consumables and materials as listed on the Year Level Requirements List or Subject Requirements List as being provided by the scheme.

1.32 Payment of the participation fee is to be made according to the payment arrangement option indicated by the parent/carer on the Participation Agreement Form, or as otherwise approved by the Principal.

1.33 Non-payment of the participation fee by the designated payment date(s) will generate a reminder notice to the parent/carer from the school at intervals of 30 days overdue and 60 days overdue. The Principal may thereafter undertake debt recovery action for the overdue participation fee including, where warranted, referral to an external debt collection agency. This may result in extra costs being incurred by the parent/career.

1.34 Subject to 1.33 above, the Principal may withdraw a student’s participation in the scheme due to non-payment of a participation fee.

1.35 The Principal may refuse to admit a student to the scheme where participation fees are overdue from the previous year’s scheme.

1.36 Where participation fees are overdue, the Principal may exclude a student from an optional extra curricula school activity.

1.37 The scheme provides the entire package for the specified participation fee, and is not available in parts unless specifically provided for by the school in the fee structure.
1.38 All textbooks and resources provided for temporary use by the scheme remain the property of the scheme and shall be returned at the end of the education program or school year or when the student leaves the school, whichever is the earlier. Where an item is not returned, the parent/carer will be responsible for payment to the scheme of the replacement cost of the item. Failure to make payment may result in debt recovery action being undertaken including, where warranted, referral to an external debt collection agency. This may result in extra costs being incurred by the parent/career.

1.39 Textbooks and other resources provided for temporary student use by the scheme shall be kept in good condition by the student. The school Administration Office shall be notified immediately of the loss or negligent damage to any issued item. Where an issued item is lost or negligently damaged, parents/carers will be responsible for payment to the scheme of the replacement cost of the item. Failure to make payment may result in debt recovery action being undertaken including, where warranted, referral to an external debt collection agency. This may result in extra costs being incurred by the parent/career.

1.40 The parent/carer is responsible for supplying the student with any additional student materials that are not provided by the Student Resource Scheme, as indicated on the Year Level Requirements List or Subject Requirements List.

1.41 If a student enters the scheme after the first week of school, a pro-rata participation fee will apply, calculated on a 40-week school year basis. This for the Textbook Component of the costing’s.

1.42 If a student, having paid a participation fee, leaves the school through the year, a pro-rata refund will be made to the parent/carer, calculated on the participation fee paid, less the cost of consumed materials and the replacement cost of scheme items that are lost or negligently damaged or not returned, plus the pro rata Textbook and Resource Allowance calculated on a 40-week school year basis.

1.43 As the scheme operates for the benefit of parents/carers and is funded solely from participation fees, textbooks and resources provided under the scheme will not be issued to students whose parents/carers choose not to participate in the scheme.

1.44 Students who have not paid resource charges or who have outstanding debts with the school may be ineligible to attend non-compulsory educational and school organised activities. This includes:- Snr Jersey, Snr Formal, ID Cards, Recreation Trips, Tours & Excursions, sponsorship support from P&C, School Issued References and Certificates, use of School bus, mail out of school reports, extracurricular activities including sporting teams, and TAFE Courses.

1.45 How it is to be conducted?

- Laptops will be issued to students in Yr.’s 9 & 10. Students will keep them over the holiday periods unless they are recalled for maintenance. Laptops will be returned to the school when enrolment ceases.
1.46 All computers, including laptops or notebooks used in this program are the property of the Department of Education and Training regardless of funding revenue i.e. School, Federal or Parents & Citizens. The details of future ownership are outlined in Part A: Terms and Conditions.

1.47 In order to maintain the security of the network, support the Managed Operating Environments (MOE and MOE CFS) and to ensure continuity of service to all students, departmental policy, *ICT-PR-004: Using the Department’s Corporate ICT Network* [http://education.qld.gov.au/strategic/eppr/ict/ictp004/](http://education.qld.gov.au/strategic/eppr/ict/ictp004/) advises schools to “ensure students do not connect solely privately owned devices to its corporate ICT network.

1.48 The 1 to 1 Learning Program supports solely school-procured and owned ICT assets being provided to students for educational use at school and at home. It does not support an ownership model whereby privately owned devices are connected to the network.

1.49 Other factors influencing this decision include:

- Continuity of service (repairing devices on-site within agreed time frames)
- Continuity of service (provision of “loan” devices as part of the repair process)
- Single operating platform which is upgraded on a whole school basis
- Nominated software loads which may vary for each level of student
- Automatic upgrades with additional software titles as part of the program
- Availability of spare parts and in-school service and advice.
Terms and conditions - Student Resource Scheme – 1 to 1 Learning Program

6.2 The Parent/Guardian must comply with the Agreement and ensure that the Student complies with the *Laptop Rules for Students* in relation to use of the laptop at the School and outside the School (e.g. at home).

6.3 To the extent that the *Laptop Rules for Students* can apply to the Parent/Guardian, the Parent/Guardian must comply with the rules.

6.4 The Parent/Guardian must also comply with their respective obligations under the *School's Student Network / Internet Access Agreement* and the *School's Internet Usage Policy*. 
7. **Period of participation**

7.1 The School agrees to provide the Laptop to the Student/Carer from the date all parties sign this Agreement and the Student receives the laptop when all Student Resource Fees are paid in full.

7.2 Subject to clause 7.3, the provision continues until the end of the agreement.

7.3 The provision may be ended earlier, at the School’s absolute discretion, if:

- the Student is no longer enrolled with the School;
- the Student is excluded from the School;
- if, in the opinion of the School, the Student is not meeting the School’s behaviour and educational requirements, including absenteeism, fall below 90% without appropriate justification;
- the Parent/Guardian fails to comply with this Agreement or the Student Network / Internet Access Agreement and the School Internet Usage Policy; or
- the Student fails to comply with the attached Laptop Rules for Students or the School’s Student Network / Internet Access Agreement and the School’s Internet Usage Policy.

8. **Ownership of laptop**

8.1 This Agreement does not give the student ownership of the Laptop. The school retains ownership of the Laptop during the term of the provision.

8.2 This Agreement and the School’s delivery of the Laptop to the Student does not constitute a transfer of ownership, or the obligation to transfer ownership, of the Laptop to the Student or Parent/Guardian.

9. **Status of laptop**

9.1 The Laptop being provided to the Student is new, and will not have been used before.

9.2 Students will be responsible for the laptop at all times during school hours. At such times when the student may need to leave the laptop (during morning tea/lunch breaks or teacher-directed activities such as sport), the school will aim to provide a secure location for their storage.

9.3 The School may demand the return of the laptop for any reason, for example, to upgrade software, to inspect hardware or software’s operational performance, if there is suspected misuse of the laptop and to verify that it is being used in accordance with this Agreement and the Laptop Rules for Students.
10. Fee for provision of laptop

10.1 If the parent/guardian and student opt to participate, a Student Resource Scheme – Student Laptop Program fee will be due and payable by the parent/guardian. Resource Scheme – Total Cost $295.00.

10.2 In the event of loss or damage to, or caused by, the Laptop, see Clause 16 Loss or Damage.

11. Connection to the internet

11.1 At school, the carriage service and connectivity to the internet is governed by the School’s Student Network / Internet Access Agreement and the School’s Internet Usage Policy and The School reminds the Parent/Guardian of their obligations under this agreement.

11.2 The department provides a web filtering system to protect schools from malicious web activity and inappropriate websites. Students’ Internet browsing on departmental owned laptops installed with the MOE CFS build is filtered at school and at home.

11.3 No web filtering system can be 100% effective and students and/or parents should notify the school as soon as possible if an unsuitable website is accessible when using the laptop so that the school can take appropriate action.

11.4 If Internet access at home occurs through private internet providers and is unfiltered, it is the Parent/Guardian’s responsibility to monitor student Internet usage. The School accepts no responsibility for consequences of internet access outside the school and will seek to enforce any breach of policy found on a departmental-owned laptop regardless of whether the breach was done at home or not (e.g. cache files for internet browsers containing pornography).

12. Improper use

13.2 The software loaded on the Laptop is licensed to the Department of Education and Training or the School. The Parent/Guardian must ensure that the software is not copied, deleted or transferred, for any reason at all, without prior written consent from the School. Unauthorised use may breach copyright laws and the Parent/Guardian may be held liable for any damages incurred.

13.3 Should the laptop require repair, the hard drive may need to be reformatted and the laptop returned to its originally issued state that is, with the Managed Operating Environment and departmental and school software installed.

13.5 In addition, at the conclusion of this agreement, all installed software and data will be removed and the laptop restored to its original manufacturer’s state.

14. **Virus protection**

14.1 Computer viruses, malware and malicious code have the potential to severely damage and disrupt operations within the School and the Department’s networks. They can also be costly to restore the network, infected hardware or software to its previous state and operability.

14.2 These can enter laptop computers through:

- Removable media such as CDs, DVDs, floppy disks and USB memory sticks
- Emails / Phishing attempts (emails linking to malicious websites)
- The internet (including web browsing, FTP programs and chat rooms)

If accessing the Internet from home via cable, ADSL or wireless, they should take all steps to protect the school-owned laptop and the department’s computer network from virus attacks, including never disabling the installed anti-virus software.
14.5 Within the constraints of the departmentally supplied software, the Parent/Guardian must take reasonable steps to prevent malware or malicious code from infecting the laptop.

15. Repair and maintenance

15.1 A manufacturer’s warranty may apply to the Laptop for some of the period of the provision.

15.2 Students must not “personalise” their laptops in any way by using felt pens, stickers or other marks. Laptops will be identified as belonging to a particular student in a manner determined by the school. Such identification is not to be tampered with.

15.3 The Parent/Guardian or Student must immediately return the Laptop to the School if they suspect the hardware (e.g. laptop computer or power pack) or software is or may be faulty.

15.4 The Student and Parent/Guardian must not arrange or allow any repair or maintenance work to be carried out on the Laptop without prior written consent of the School.

Wilful damage full cost will be invoiced for the replacement. $200.00 if the laptop is lost for the first time and full replacement cost if it happens again. Accidental damage first time $50, second time $100 and third time $150.

16.3 The Parent/Guardian must use their best endeavours to ensure that the Laptop is kept in good condition, and that it is not damaged, lost or stolen. It is the obligation of the Parent/Guardian to ensure the Laptop in a safe place when it is taken off the School’s site.

16.4 The Parent/Guardian must immediately notify the School if the Laptop is damaged, lost or stolen.

16.5 If the Laptop is stolen, the Parent/Guardian must report this to the Police as soon as possible. The Parent/Guardian must obtain from Queensland Policy a Crime Number and the name of the investigating officer and provide this to the school.

16.6 Advice on how to protect the Laptop is outlined in the attached Use and Care of the Laptop / Laptop / Computer guidelines.
17. Consequences

17.7 All Laptops provided for temporary use by the program remain the property of the Department and shall be returned at the end of the education program or school year or when the student leaves the school, whichever is the earlier.

17.8 Where an item is not returned, the Parent/Guardian will be responsible for payment to the scheme of the replacement cost of the item. **Failure to make payment may result in debt recovery action being undertaken including, where warranted, referral to an external debt collection agency. This may result in extra costs being incurred by the Parent/Guardian.**

17.9 Failure to comply with this Agreement may result in the School ending the Agreement including automatic loss of the Laptop or suspension of use for a period of time.

18. Acceptance of agreement

18.1 By completing and signing the Student Resource Scheme Participation Agreement form which is included in **FNM-PR-018: Student Resource Scheme** [http://education.qld.gov.au/strategic/eppr/finance/fnmpr018/], the Parent / Guardian is acknowledging they understand and accept the Terms and Conditions of this agreement.

- Don’t get technology devices wet, even though they will dry and appear to operate normally, the circuitry could slowly corrode and pose a safety hazard.
- Follow all instructions given by staff.
- Login correctly and logoff when finished.
- Always shut down computers through the ‘Start – Shutdown’ mechanism.
- Always package, carry and store technology devices in appropriate and secure carry cases for transporting.
- Personalise technology devices with methods approved by the school, to ensure students do not get the devices mixed-up.
- Don’t place objects on top of your laptop and never carry it around while it is turned on.
- Avoid exposing your laptop computer to direct sunlight or sources of heat such as desk lamps; dust, dirt, rain, liquids or moisture; heavy shock or vibration

Handling your laptop computer
- Try to avoid moving your laptop around when it is on. Before switching on, gently place your laptop on a stable surface and then switch on.
- You still need to be careful with your laptop while it is in the bag. Do not drop the bag from your shoulder. Always place the laptop bag gently down.
- Be careful when putting the laptop in the car that no other items are on top of it and nothing will roll onto the laptop bag.
- Laptops should be switched off before being placed into the bag.

Packing away your laptop computer
- Always store your laptop bottom down and with the LCD facing away from the front of the backpack.
- Do not wrap the cord too tightly around the power adapter or the cord will become damaged.

Care of laptop computer bag
- The bag should be fully zipped up before being carried
- The bag should be fully unzipped before removing the laptop to avoid non-warranty bag damage.

LCD screen
- LCD screens are delicate - they don’t like being poked, prodded, pushed or slammed. Never pick up your laptop by its screen. Don’t slam the screen closed and always be gentle when putting your laptop down.
- To clean your LCD screen:
  - Switch off your laptop computer.
  - Lightly dampen a non-abrasive cloth with water and gently wipe screen in a circular motion.
  - Do not directly apply water or cleaner to the screen.
  - Avoid applying pressure to the screen.

AC adapter
- Connect your adapter only to your laptop computer.
- Do not step on your power cord or place heavy objects on top of it. Keep your cord away from heavy traffic areas.
- When unplugging the power cord, pull on the plug itself, rather than the cord.
- Do not wrap your cord tightly around the adapter box.
Battery pack
- Once a week fully flatten your batteries. Then re-charge the batteries fully. This will extend the life of your battery cells.
- Do not tamper with the connections.

Keyboard
- Gently brush your keyboard with a clean soft bristled paint brush or similar to remove dirt.
- If any key tops are missing or keys are in a damaged state, take your laptop to Technicians to be repaired immediately. A single key top can easily be replaced but continuing to use the keyboard with a missing key top can result in having to replace the entire keyboard.

Case cleaning
- Wipe with a dampened non-abrasive cloth. Do not spray any cleaners directly on to the casing.
- Gently rub your laptop casing with the moistened cloth to remove any dirty marks.

Security
- Report any technology device fault or suspected virus activity to the nearest staff member.
- Undertake virus scans of computers after home usage and prior to reconnecting to the school’s ICT network.
- Make regular backups of your saved work.
- Keep your login and password confidential.
- Don’t tamper either physically or electronically with either hardware or software settings.
- Don’t attempt or undertake any malicious behaviour towards the School’s ICT resources.
- Don’t attempt to make unauthorised access to ICT resources or entities.
- Don’t have food or drink near the technology device.
- A good idea is to attach a fairly large name tag in a bright colour to the case or bag so it is easy to identify. Remember, over the life of the program this laptop may not be with the same student the whole time, and it may need to be returned for servicing at any time.

Software
- Don’t copy any software from the school’s ICT network or system.
- All technology equipment should only have operating systems loaded that are compliant with departmental standards.
- Keep your virus check software up-to-date. If your virus check software detects virus activity then carefully follow the instructions for removal and advise the nearest staff member. If unsure, quarantine your computer and disks and immediately consult with the IT staff.
- Always adhere to licensing and copying agreements.
- Never use technology devices to engage in illegal activity, including violation of copyright or other contracts.

Batteries
- Don’t use incompatible computer batteries and chargers.
- Computer batteries can get hot during use. Do not use your computer on your lap.
- Have fully charged battery/batteries at the start of each school day. All charging should be undertaken at home, as the school will not have the infrastructure or resources available to charge batteries for every student.
- Don’t permit a loose battery to come in contact with metal objects, such as coins, keys or jewellery.
- Don’t crush, puncture or put a high degree of pressure on the battery as this can cause an internal short-circuit, resulting in overheating.
- Don’t get your battery wet, even though it will dry and appear to operate normally, the circuitry could slowly corrode and pose a safety hazard.
- Follow battery usage, storage and charging guidelines found in the computer’s user guide.

Wet weather
- Particular care needs to be taken during wet weather, whether at school or while travelling to/from school or at home.
- Never drop your bag into a puddle, leave it out in the rain or where water might run, or have it otherwise unprotected from rain – if your school bag gets wet, your laptop might also.
