

24 January 2024

Dear Parents/Carers

As you would be aware, Queensland weather forecasts continue to predict a significant weather event over the coming days which may impact our roads and school due to possible flooding.

I would like to assure you that we are monitoring this situation very closely, and are receiving advice from Queensland Disaster Management authorities and the Department of Education.

At this time, no decisions have yet been taken about closing schools for tomorrow (Thursday 25 January), however we will be in a position to provide clear advice later today. I will communicate this to you after 4:30 today.

If you need for your child to remain at home tomorrow due to safety concerns, please feel free to make this decision.

There are many excellent resources available on the Queensland Government [Get Ready Queensland](#) website, that serve as a checklist for our homes, travel arrangements and our personal safety.

I encourage you to stay up-to-date with the latest alerts, heed the warnings and follow instructions from emergency services.

Please take care of yourself, your family and your community, and be safe.

Kind regards

A handwritten signature in black ink, appearing to read "M. James".
